# STIX v2 Target Specifiers

### Embedded Object

```
{   "action": "deny",
    "target": {
        "type": "stix",
        "network-traffic": {
            "0": {
                "type": "ipv4-addr",
                "value": "198.51.100.1/32"},
            "1": {
                "type": "network-traffic ",
                "src_ref": "0",
                "src-port": 443}
        }
    }
}
```

### Pattern Object Path

```
{   "action": "deny",
    "target": {
        "type": "stix",
        "network-traffic:src_ref.value": "198.51.100.1/32",
        "network-traffic:src-port": 443
    }
}
```

### Pattern String

```
{   "action": "deny",
    "target": {
        "type": "stix",
        "pattern": "[network-traffic:src_ref.value = '198.51.100.1/32' AND network-traffic:src-port = 443]"
    }
}
```
